Antarctic Peninsula and South Shetland Islands

Antarctic Air-Cruise Model

Fly over Cape Horn and the Drake Passage
to reach Antarctica quickly and in comfort

In 2003 ANTARCTICA XXI pioneered the Antarctic Air-Cruise model. We have since operated over 100 Antarctic Air-Cruises, more than any other company in the world, by far.

FLY THE DRAKE

A two-hour flight takes you from Punta Arenas, in the Chilean Patagonia, directly to Antarctica where you board your expedition ship. You thereby avoid the stormy seas of the Drake Passage and experience only the best Antarctica has to offer.

CRUISE ANTARCTICA

ANTARCTICA XXI offers a boutique-style wilderness adventure, not a cruise. Feeling more like a private yacht than a cruise ship, our small expedition vessels give us privileged access to Antarctica, allowing you to go where larger ships can't. Disembarkation is efficient so you spend time exploring, not waiting.

KEY BENEFITS

COMFORT: Avoid storms in the Drake Passage

SPEED: Get to Antarctica quickly and save time

STYLE: Enjoy a small-ship, yacht-like experience

Visit the White Continent for a remarkable,
once-in-a-lifetime experience

Discover Antarctica

ANTARCTICA XXI is a Member of the International Association of Antarctica Tour Operators (IAATO), a member organisation founded in 1991 to advocate, promote and practice safe and environmentally responsible private-sector travel to the Antarctic.

LANDSCAPE

Antarctica is a remote, magical place that will greet you with its awe-inspiring beauty. See peaceful bays dotted with colossal icebergs; cruise along deep fjords and see massive glaciers; be amazed by sharp snowy peaks that jut out of the sea.

WILDLIFE

In the austral summer, large numbers of penguins, whales, seals, and sea birds congregate along the Antarctic Peninsula to feed and reproduce. Unconcerned by your presence, these animals will provide endless inspiration for your photographs.

ADVENTURE

Adventure awaits in Antarctica. Cruise at sea level with our Zodiac boats and feel the spray of seawater on your cheeks. Follow in the footsteps of early explorers as you hike on Antarctic soil. Join our optional sea kayaking and snowshoeing programs.

GLORY

Set foot on the seventh continent and add a new destination to your travel list. You will bring home indelible memories, while tales of your journey will arouse the curiosity of your peers and produce their admiration.

Take advantage of your trip to the deep south of Chile! See more of Patagonia and add another penguin species to your list. Also gain peace of mind in case unfavourable weather delays your return flight from Antarctica. The time buffer means that your onward flight connections should not be impacted.

ITINERARY

DAY 1 · On the last scheduled day of the Air-Cruise program, we transfer to the shores of the Strait of Magellan where you travel by motorboat to Magdalena and Marta Islands. The islands are home to a protected nature reserve. It is a must stop for visitors to southern Chile. On Magdalena Island you disembark and experience one of the largest colonies of Magellanic Penguins in South America, over 150,000 birds. More than 1,000 sea lions call Marta Island home. To limit the impact on Marta Island's fragile environment, we will not disembark. Instead, you will observe and photograph the wildlife from the sea. During the navigation you will have good chances of spotting dolphins and a variety of seabirds. The total duration of the excursion will be approximately 4.5 hours, with return to Punta Arenas by lunchtime. The afternoon is at your leisure so you can explore Punta Arenas on your own. The city is full of interesting sites connected to the history of Antarctic exploration. We provide a handy guidebook and map. Overnight is at the group hotel.

Important Information

Planning Your Trip

ABOUT YOUR ARRIVAL & DEPARTURE

If you are joining an Air-Cruise starting in Punta Arenas, you must plan your arrival on Day 1 before 3 PM. That afternoon, all travellers must attend a mandatory safety and Antarctic guidelines briefing, and an information session covering important practical details. You must also attend a fitting session for your expedition boots. Participation in these activities is essential for the success of the expedition. Additionally, by arriving before 3 PM, you can take advantage of our welcome service at the airport and the hotel transfer. Pick up at the airport and transfer to the hotel cannot be guaranteed for travellers arriving later than 3 PM. Remember that scheduling tight connections is never wise when travelling to remote places with limited services. Protect your travel investment by building some buffer in your travel plans in case of problems with luggage delivery, flight delays etc.

For Antarctica Express Air-Cruises: boarding in Ushuaia is between 3 PM and 4 PM. At 4 PM boarding will close.

ANTARCTICA XXI strongly suggests that a flexible air ticket be held for your journey home in case you need to change your travel arrangement following a delay of the return flight from Antarctica. Please ask your travel consultant for assistance. See also the sections on possible flight delays and related contingency plans further down.

PARTICIPATION FORM

Participants are required to fill and sign an on-line Participation Form, and to return it to ANTARCTICA XXI at least 120 days prior to departure.

MEDICAL INSURANCE

ANTARCTICA XXI requires participants to be adequately covered by a medical insurance, including aero-medical evacuation from Antarctica.

ITINERARY

Every effort will be made to adhere to the planned program. However, with this type of adventurous travel to Antarctica, changes to the itinerary may occur due to severe and unpredictable weather. We need to emphasize the fact that weather conditions are unpredictable and that safety is always the paramount concern on any Antarctic voyage. For this reason ANTARCTICA XXI reserves the right to change the itinerary described due to weather conditions or other factors beyond ANTARCTICA XXI's control without consulting the participants.

CANCELLATION INSURANCE

ANTARCTICA XXI strongly urges participants to be adequately covered by trip cancellation and interruption insurance.

BAGGAGE ALLOWANCE

The maximum weight allowed on the flights to and from Antarctica is 20 kg (44 Lb.) per passenger, including hand luggage. For Classic Antarctica and Polar Circle Air-Cruises, excess luggage will be kept in custody in Punta Arenas and will be handed over to travellers upon their return from Antarctica. For Antarctica Express Air-Cruises, excess luggage will be disembarked at Port Williams and will be sent to Punta Arenas by air cargo at the traveller's expense. It will be available for pick up in Punta Arenas upon the traveller's return from Antarctica. The baggage weight limit is a technical requirement imposed by the flight operation. Unfortunately, it is not possible to purchase extra allowance.

EXPEDITION LANGUAGE

The official expedition language of our Air-Cruises is English.

POSSIBLE FLIGHT DELAYS AND CONTINGENCY PLAN

Flights to and from Antarctica operate based on weather conditions. While historically only a minority of flights have experienced a delay, you should be prepared for that possibility.

Contingency Plan

ANTARCTICA XXI has been organizing Antarctic air-cruises since 2003. Over these years we have gained extensive experience in the delicate coordination of land, air and sea operations in the extreme Antarctic environment. In the unlikely event that the flight to Antarctica is delayed or cannot take place due to unfavourable weather conditions, we will apply a Contingency Plan. The Contingency Plan is included in the cost of your expedition. The primary goal of the plan is to provide an engaging and comfortable travel experience while we wait for the weather to improve. A flight delay can impact travel to Antarctica or return back to Punta Arenas, and the plan includes a range of activities determined by the specific nature of the delay. Additionally, the Contingency Plan offers you financial protection by providing a refund should weather conditions prevent us from reaching Antarctica.

THE DETAILS

[In case the outbound flight to Antarctica is delayed](#)

The group will remain in Punta Arenas while waiting for an improvement in the weather and for the opportunity to fly to Antarctica. Included are accommodation at the Cabo de Hornos Hotel or similar, meals, and guided excursions to local attractions. If by 2 PM on Day 4 of the itinerary it is still impossible to reach Antarctica, the trip will be interrupted and the cruise fare will be refunded.

[In case the return flight to Punta Arenas is delayed](#)

The group will remain in Antarctica and wait for the opportunity to fly to Punta Arenas. Included are meals and accommodation on the ship, and local excursions. Upon arrival in Punta Arenas, accommodation at a 3-star hotel or better, and transfer to the airport the next morning are included. Travellers are responsible for any expenses associated with the rescheduling of their airline tickets or onward travel plans.

Please refer to the Contingency Plan section of our Terms and Conditions for further details.

Useful Tips

SUGGESTED CLOTHING

The average temperature in the Antarctic Peninsula area during the austral summer is about 0°C (32°F), although sometimes it may feel a little lower because of the wind chill factor. For this reason, it is best to wear several layers of light, warm clothing, with a windproof and waterproof jacket and pants as the outer layer. The suggested clothing for Antarctica is very similar to that recommended for skiing.

WATERPROOF BOOTS

As most landings in Antarctica are “wet landings”, the best footwear is knee-high waterproof boots. You will not need to carry them with you since ANTARCTICA XXI will provide you with a pair of thermal rubber boots before arriving in Antarctica.

FACE PROTECTION

Good quality UV filtering sunglasses are essential. Glacier glasses have leather flaps at the sides to stop the light from passing through. Due to the high reflectance of UV radiation, you will also need good sun block lotion for your face (protection factor 30 and above) and lip balm.

ON-LINE GEAR SHOP

ANTARCTICA XXI is pleased to offer to its travellers the exciting opportunity to get equipped for their Antarctic air-cruises through its on-line store, the ANTARCTICA XXI Gear Shop. With a simple click on the “Gear Shop” button at www.antarcticaxxi.com or directly at <http://antarcticaxxi.newheadings.com> you may browse and shop from a unique collection of high quality apparel and gear that will help you get ready for your polar adventure.

PHOTOGRAPHY

To see the wildlife you should have a good pair of lightweight binoculars (the suggested magnification is 7x or 8x). If you are passionate about photography, do not forget a good zoom lens to shoot wildlife while avoiding close approaches. Also, take with you a good supply of memory cards and spare batteries since cold temperatures can reduce their life span.

FURTHERMORE...

Do not forget to take with you:

- Personal medications.
- Backpack to carry your belongings during shore excursions.

Sunglasses with high UV protection

Hat and a scarf

Fleece jacket

Waterproof Parka

Thermal underwear

Thermal gloves

Ski pants and upper coat (waterproof)

Terms & Conditions

ANTARCTICA XXI is in business to help people realise their Antarctic dreams and goals. ANTARCTICA XXI will endeavour and strive to do everything in its power to help make their involvement with ANTARCTICA XXI and Antarctica a positive and rewarding experience. To this end ANTARCTICA XXI strongly advises that all travellers carefully read these Terms and Conditions, as all rights and obligations between ANTARCTICA XXI and each passenger will be governed by these as herewith described.

DESCRIPTION OF THE PROGRAM

The program that ANTARCTICA XXI is offering to the participants is described in the brochure corresponding to each tour.

GENERAL BOOKING TERMS

The following booking terms will apply in case of a regular booking, both for individuals and groups; in case of a charter (booking of the entire tour and vessel) specific booking terms can be negotiated and agreed upon.

- A deposit shall be paid to confirm a booking made 120 days prior to the departure date or earlier.
- The balance shall be paid no later than 120 days before the date departure.
- If a reservation is made less than 120 days prior to the departure date, the total cost of the tour is due at once.
- The Participation Form duly filled by the passenger must be received by ANTARCTICA XXI no later than 120 days prior to the departure date of the tour. In case of a booking made after 120 days prior to the departure date, the Participation Form must be received immediately after the confirmation of the reservation by ANTARCTICA XXI.

Failure to comply with any of the above requirements entitles ANTARCTICA XXI to cancel the booking and withhold return of all payments received. The payment of the Booking Fee or a deposit of any part or full payment for a reservation on this tour, and the submission of the Participation Form, shall constitute consent to all the provisions contained herein. With this, the passenger understands and accepts all provisions without restriction, including their consequences, contained in ANTARCTICA XXI's Terms and Conditions.

PAYMENT, CANCELLATION AND REFUND POLICIES

The following payment, cancellation and refund policy will apply in case of an individual booking; in case of a charter (booking of the entire tour and vessel) or a group booking specific payment, cancellation and refund terms can be negotiated and agreed upon by separate contract. In case of cancellation of a booking, which must be done in writing by the passenger, the following terms will apply:

- Cancellation received up to 120 days prior to departure: there will be a full refund of the program cost less 75% of the deposit paid.
- Cancellation received between 119 days and up to 90 days prior to departure: there will be a refund of 50% of the amount paid.
- Cancellation received between 89 days prior to departure and departure date: there will be no refund whatsoever.

ANTARCTICA XXI reserves the right to cancel a tour prior to the scheduled date of departure for any reason whatsoever. The decision to cancel a tour is within the sole and absolute discretion of ANTARCTICA XXI. In the event of such a cancellation, all monies received by ANTARCTICA XXI

from the passenger or the passenger's booking agent for that tour will be refunded, including the deposit mentioned in the General Booking Terms. ANTARCTICA XXI shall not be liable for any special or consequential damages, whether known or unknown, neither for any costs of air ticket, hotel or similar expenses that the passenger may have incurred in or will incur in, under any circumstances whatsoever.

ANTARCTICA XXI also reserves the right (in its sole and absolute discretion) to alter or omit any part of the itinerary with due notice to the passengers wherever practicable. Such rescheduling does not constitute a cancellation by ANTARCTICA XXI. All reasonable efforts will be made by ANTARCTICA XXI to ensure that the passenger's travel objectives are met. ANTARCTICA XXI strongly recommends all passengers to purchase a travel cancellation and interruption insurance as protection against an unforeseen event which may force them to cancel their booking before departure or leave a tour while it is in progress.

PRICES

The prices of tours are indicated in U.S. dollars (USD). Prices quoted are based on tariffs, exchange rates, and fuel prices in effect at time of publication and are subject to change prior to departure. Substantial changes in taxes, tariffs, exchange rates and fuel prices can increase the cost of expedition arrangements significantly. ANTARCTICA XXI reserves the right to alter prices or introduce surcharges accordingly, even when payment has already been received in full.

RESPONSIBILITY

ANTARCTICA XXI is not responsible for any expenses incurred by the passenger or passenger's booking agents in preparing for the voyage, including non-refundable or penalty-carrying airline tickets, special clothing, visa or passport fees or other voyage related expenses. A tight time-schedule connection with an Antarctic voyage is unwise. For this reason, ANTARCTICA XXI strongly suggests that a flexible air ticket be held for your journey home. In no case is ANTARCTICA XXI responsible for any expense or penalty incurred by the passenger or passenger's booking agents deriving from a change in the ending date of the Tour.

Participants should understand that there are certain known and unknown hazards involved in Antarctic voyages, which they accept willingly and voluntarily at their own risk at the moment of forwarding the deposit. ANTARCTICA XXI will not be liable for any illness, injury or death sustained during a tour, nor will it be liable for any uninsured loss or damage of property of any participant, whether caused in whole or in part by the negligence of the owners, directors, agents, officers, employees, contractors or subcontractors of ANTARCTICA XXI, or those acting as its agents.

ANTARCTICA XXI shall not be responsible for any injury to persons (whether or not resulting in death) or damage to property arising out of any act of war, terrorism, insurrection, revolt or other civil or military uprising occurring in the countries of origin, destination or passage. ANTARCTICA XXI acts only as agent on behalf of shipping and transport companies, airlines, hotels, and other suppliers providing services that are included in the tour, and as such ANTARCTICA XXI will exercise every possible care. However ANTARCTICA XXI, its subsidiaries and/or associated agents shall not be held responsible for property loss or damage and/or any damages resulting from

illness, personal injuries or death that may be sustained by reason of, or while engaged in, any tour whether due to the ownership, maintenance, use, operation or control of any air, sea or land carrier or any other conveyance used in carrying out these tours. ANTARCTICA XXI can assume no liability due to any cause whatsoever whether caused by failure or delay or other irregularity, acts or omissions occurring during a tour under which the means of transportation or other service provided thereby is offered or supplied by owners, operators or public carriers for whom ANTARCTICA XXI acts only as agent. The Passenger Contract in use by the carriers concerned (when issued) shall constitute the sole contract between the transportation companies and the purchaser of these tours and/or passage. By accepting ANTARCTICA XXI's Terms and Conditions, the passenger also accepts without reservation the provisions contained in the Passenger Contract in use by the shipping and transport companies, airlines, hotels, and other suppliers providing services that are included in the tour.

ANTARCTICA XXI strongly urges participants to check with their insurance agent to make sure that they are adequately covered for all eventualities. In case of a medical problem arising during the tour, which results in costs for evacuation or repatriation, the responsibility for payment of these costs belongs solely to the passenger. ANTARCTICA XXI requires that such eventualities are covered by travel insurance. If not covered by travel insurance, the responsibility still remains with the passenger and ANTARCTICA XXI specifically declines any responsibility whatsoever.

ANTARCTICA XXI's staff, agents and representatives, other than an Officer of ANTARCTICA XXI, are not entitled to promise refunds for whatever reasons, and ANTARCTICA XXI will not be bound by any such oral or written promises.

ITINERARY

ANTARCTICA XXI has the duty to advise you that all operations carried out in the Antarctic territory are subject to constantly changing weather conditions and that the safety and comfort of passengers and crew will never be put at risk by taking actions that may result in a disappointing end to a unique experience.

This is a voyage to a remote part of the world, and ANTARCTICA XXI reserves the right to change the itinerary described in the brochure due to weather conditions, availability of anchorages or landing sites, safety of the carrier and human lives, political conditions and other factors beyond ANTARCTICA XXI's control without consulting the participants. On any flight (to or from Antarctica), or in any sea operation, such operations will be carried out exclusively and absolutely according to the judgment of the Captain of the aircraft or the vessel, whose decision will be definite and will not be questioned by any party. It is understood that such decisions will be made in the best interests of all the passengers and with regard to the safety of the vessel and the aircraft. Participants have no right to any refund or other considerations in the event of these inevitable itinerary changes. In case that the flight to or from Antarctica cannot take place due to unfavourable weather conditions either at point of origin and/or destination, ANTARCTICA XXI will apply the Contingency Plan corresponding to each voyage.

MEAN OF CONVEYANCE, ACCOMMODATION, INFRASTRUCTURE, AND SERVICES

Keeping in mind that safety is the paramount concern, ANTARCTICA XXI will make all efforts to carry out the itinerary detailed in the itinerary corresponding to each tour by using the means of conveyance, accommodation, infrastructure, and services arranged to this end. However, ANTARCTICA XXI reserves the right to use substitute means of conveyance, accommodation, infrastructure, and/or services in case of unfavourable conditions or other factors that ANTARCTICA XXI considers convenient, either at point of origin and/or transit and/or destination.

The use of substitute means of conveyance, accommodation, infrastructure, and/or services will be carried out exclusively and absolutely according to ANTARCTICA XXI's judgment. It is understood that such decision will be made with regard to ensuring the safety of air, land and sea operations, accomplishing the itinerary of each tour, maintaining standards of service similar to the ones originally arranged, and in the best interests of all the passengers.

Participants have no right to any refund or other considerations in the event of using substitute means of conveyance, accommodation, infrastructure, and/or services.

ADMITTANCE

These tours are intended for persons in reasonably good health. By forwarding the deposit the passenger certifies that he/she does not have any physical or mental conditions or other condition or disability that can create a hazard to himself/herself or other passengers. By submitting the Participation Form to ANTARCTICA XXI, the passenger declares under his/her sole and unique responsibility that the information contained in the form is true and complete, that he/she is fit and fully able to participate in the voyage, is able to take care of himself/herself during the voyage and will not be an obstacle for the enjoyment of the trip for all other passengers. Regardless of this, ANTARCTICA XXI reserves the right to exclude a passenger from part or all of the tour, should the passenger be considered by ANTARCTICA XXI to be not physically able or prepared to participate safely. Should a passenger's application for participation in a tour be justifiably declined by ANTARCTICA XXI prior to the scheduled date of departure of the tour, ANTARCTICA XXI will refund all payments received from the client less an administrative fee equivalent to 75% of the Deposit paid only if the Participation Form is received by ANTARCTICA XXI at least 120 days prior to the departure date, and this will be the limit of ANTARCTICA XXI's liability. ANTARCTICA XXI shall not be liable for any special or consequential damages, whether known or unknown, under any circumstances whatsoever. ANTARCTICA XXI's decision to decline a passenger's participation in any tour shall be taken in its sole and absolute discretion.

ANTARCTICA XXI's leaders and guides will do their utmost to ensure that any problems are solved for the benefit of the group and the voyage as a whole. Passengers accept ANTARCTICA XXI's authority (whether it be a Captain, Expedition Leader, Operations Manager or Field Guide) to make decisions affecting the group or individuals. For instance, an individual may be denied participation in a tour, or his/her participation in certain activities may be denied or restricted by an ANTARCTICA XXI leader, if that individual's health is at risk, if an illegal act is committed, or if his/her behaviour becomes detrimental to the safety, enjoyment or wellbeing of

the group. Should an ANTARCTICA XXI leader take such action, that person would not be entitled to any refund whatsoever. If the disturbing behaviour or damage (as described above) should occur, all costs resulting from this shall be charged to the passenger.

BAGGAGE ALLOWANCE

The passenger's baggage, including all his/her belongings, is under his/her sole and exclusive care and responsibility. The passenger accepts that ANTARCTICA XXI shall have no liability for loss or damage howsoever caused, even if by the negligence of the company. ANTARCTICA XXI strongly recommends to passengers to obtain insurance for all baggage and other personal property.

The passenger is not allowed to transport, not bring or have aboard any firearms, flammable or hazardous items, controlled or prohibited substances or drugs, contraband or items prohibited by any country or port or airport to be visited, or any other item that is not admitted by the Passenger Contract of shipping and transport companies, airlines, hotels, and other suppliers providing services that are included in the tour.

On the flights to and from Antarctica, the maximum baggage allowance for each passenger, including hand luggage, is 20 kg. Baggage exceeding the maximum weight will be refused on board the aircraft and will not be allowed. Excess baggage allowance cannot be purchased. For Air-Cruises starting in Punta Arenas, exceeding luggage will be kept in custody and will be returned to passengers upon their return from Antarctica.

USE OF PERSONAL EQUIPMENT

ANTARCTICA XXI does not allow the use of motorized or naturally powered equipment by passengers during its expeditions. This includes the use of unmanned aerial vehicles (drones), radio-controlled surface and underwater vehicles, kites, and all types of equipment that could result in contamination of the Antarctica environment or harm to its wildlife.

USE OF PERSONAL DATA

Passengers' personal data collected by ANTARCTICA XXI are used exclusively to provide the services of the tour booked, and to manage the passenger's security, safety, and wellbeing during the tour. As necessary, data will be shared with third party service providers, such as transportation, accommodation, and insurance providers, who collaborate with ANTARCTICA XXI on the delivery of the tour. Data will also be shared with authorities as required by law, regulation, or court orders.

PHOTOGRAPHY AND VIDEO

Passengers extend ANTARCTICA XXI permission to take their photograph and video during the voyage and release all rights over those images. Passengers authorize ANTARCTICA XXI to make use of such photographs and video without any restriction whatsoever, including for promotional and other purposes. Passengers who do not wish to be photographed or videotaped during the voyage must inform ANTARCTICA XXI in writing, prior to the voyage.

LAW AND JURISDICTION

This Agreement, its interpretation, and any dispute hereunder shall

be governed by and construed in accordance with the laws and the jurisdiction of the Republic of Chile, with the only exception of the maritime cruise, which is ruled by specific provisions contained in the Cruise Contract. In case of any dispute, the Spanish text of ANTARCTICA XXI's Terms and Conditions is applicable.
